Bavaria Carbon Holdings GmbH, Röthenbach a. d. Pegnitz
Notes according para 284 – 288 of the German Commercial Code
for the Financial Year 1 April 2022 to 31 March 2023

A. General Remarks

Bavaria Carbon Holdings GmbH (“the Company”) is domiciled in Röthenbach a. d. Pegnitz and incorporated in the Register of Companies HRB 21197 maintained by the local civil Court Nuremberg.

The annual financial statements on hand have been prepared in accordance with the accounting and financial regulations of German Commercial Code (“HGB”) and the Limited Liability Company Act.

For the income statement, the total cost method was applied in accordance with § 275 para. 2 HGB. The company is a small-sized limited liability Company according to § 267 para. 1 of the German Commercial Code (“HGB”). In part, the preparation of the annual financial statements is carried out in utilization of the size-related thresholds according to §§ 274a, 276 and 288 para. 1 HGB.

B. Accounting and valuation principles

The accounting and valuation policies applied in the previous year were retained. The accounting and valuation of items in the balance sheet and income statement are based on the going concern assumption according to § 252 para. 1 no. 2 HGB.

The **fixed assets** acquired in August 2004 from the insolvency administrator of the Conradty Group, Dr. Pöhlmann, are valued with the acquisition costs, reduced by the regular straight-line depreciation assuming remaining life of assets to be seven years for machinery and ten years for plant.

Newly acquired **intangible assets and fixed assets** are valued at the acquisition costs reduced by the straight-line depreciation. Assets manufactured in-house are valued according to the production costs considering adequate parts of the required general and administrative costs. Depreciation is done according to the current official tax depreciation tables. The useful economic life remains between 3 and 12 years.

Low-value assets with product related acquisition costs of up to EUR 250.00 are depreciated completely in the year of acquisition and shown in the asset table as disposal. Fixed assets with acquisition costs between EUR 250.00 to EUR 1,000.00 are accumulated in a pool item. Depreciation is done in the year of purchase and the following four years. It is depreciated in the year it was recorded and the following four years and hence reducing profits.

Receivables and other assets are stated at the nominal amount. Foreseeable risks are addressed by individual value adjustments.

Cash and cash equivalents are stated at their nominal amount.

Prepaid expenses are considered, insofar as they represent expenses for a certain time after the balance sheet date.

Other accruals were recorded for all identifiable risks and uncertain obligations and at an amount to be paid required using reasonable commercial judgment. For short term accruals, the discounting option was not used.

The **liabilities** are recorded at the amount to be paid.

C. Comments on the balance sheet
